

Hi parents and players,

We have a great opportunity for 2007/2008 girl players to join our select girls' soccer team we are creating with Arden Park. We are looking for interested players to come try out for our team to play for the 22'-23' soccer season. This is an opportunity to play at the select level if you and your player are looking for a more challenging but affordable experience. Here are some additional details:

Try Outs:

- We will be holding try outs on Tuesday 6/28, Wednesday 6/29 and Thursday 6/30 from 6:00-7:30pm at California Montessori Project Sacramento/Thomas Jefferson (2635 Chestnut Hill Dr, Sac, 95826)

Training:

- We usually train on Tuesdays & Thursdays for 1.5-2 hours per night.
- We currently train at California Montessori Project Sacramento/Thomas Jefferson (2635 Chestnut Hill Dr, Sac, 95826) however the training location for the season will be finalized as we get closer to the start of training.

Games & Fees:

- Our registration fee would be \$300 which includes League games and State Cup.
- We'll also be looking to participate in at least two tournaments during the season, one local and one out of town.
 - These tournaments will be an additional cost per player depending on the price of each tournament.
 - We find that the players & parents really look forward to the out-of-town tournaments to bond with their teammates and experience something new.
- We will be competing against Silver or Bronze select teams.
- Our games will take place on Saturdays and/or Sundays, sometimes both days. Most league games are on Saturdays and State Cup games are generally on Sundays, however this may vary throughout the season. Game dates depend on field & referee availability, etc. and may occasionally change throughout the season.
- We may need to travel for some of our games outside of our local area. There is a possibility we go as far as the Lake Tahoe/Reno area and/or Vacaville.
- The cost of our uniforms will be approximately \$150.

Coaches:

- We have been co-coaching teams for many years. We started coaching our own children and have coached across various recreation & club teams over the years.
- We are dedicated and committed to providing a positive yet challenging experience for the players and genuinely care about each individual player and want them to succeed.

If you are interested in this opportunity and want to learn more, please contact us in one of the following ways.

Sincerely,

Coach Mario Carrasco
